
Grow with us.

AUSTRIA JUICE GmbH is one of the most important global players in the food and beverage market and employs approximately 1,000 people at 15 production sites worldwide. As a leading company in the industry, the AUSTRIA JUICE Group is appreciated by customers for its expertise in the development of

innovative beverage concepts and high-quality food & beverage ingredients.

For our department **Sampling** at our location in **Kröllendorf** (Amstetten, Lower Austria) we are searching for a motivated person, prepared for immediate entry as a **full-time** force:

Product Development Assistant (f/m)

Your tasks:

- Mixing and production of beverage bases, ready-made beverages and flavors according to composition-guidelines for sampling to customers and for internal use.
- Supporting beverage-developers in the development and creation of new beverage bases.
- Execution and analysis of long-term storage tests.
- Management and organisation of required raw materials.
- Identification and recording of analytical data related to the products.
- Organisation and coordination of work orders for internal and external sampling.

Your profile:

- Completed vocational school (e.g. HLW such as Francisco Josephinum, HLUW Yspertal, etc.) or completed apprenticeship as a cook, baker, confectioner or a similar profession in the food industry
- Resilient teamplayer
- Autonomous and precise way of working
- English and MS-Office knowledge is desirable

Our offer:

- International environment with vast perspectives and training possibilities
- Cooperation in a dynamic team with flexible working times
- Financial employer support of the daily lunch
- Diverse tasks with comprehensive individual responsibility
- Due to legal reasons, we are obliged to disclose the minimum salary according to the collective agreement for this position, which is € 25.071,- gross per year. However, our attractive compensation package is based on market-oriented salaries.

Apply now!

Passion you can taste.
