

AUSTRIA JUICE

Grow with us!

Flavour Analyst (all genders)

 **Kroellendorf
(Allhartsberg, AT)**  **Entry date by agreement**  **Full time**

WE ARE EXPANDING OUR TEAM!

As the analytical backbone of our innovation team, you work at the interface between instrumental analysis and flavour development.

Sounds interesting? Then you have come to the right place!

YOUR MISSION

- Analysis of flavour compounds by GC-MS and GC-FID
- Quality control of complex raw materials
- Coordination of analytical requests and preparation of results for the flavourists
- GC-olfactometry (GC-O) to identify key odour-active components
- Development and validation of modern analytical methods
- Sample preparation and extraction (SPME/SPME-Arrow, SPE, LLE, flash chromatography)
- Root cause analysis of quality, off-flavour and stability issues
- Responsibility for the instrument infrastructure (GC-MS, GC-FID, autosamplers)
- Maintenance of analytical reports and SOPs plus contribution to innovation and customer projects

YOUR BACKGROUND

- Degree in chemistry/food chemistry/food technology/biotechnology or a related field
- At least 2-3 years of relevant hands-on experience in GC-MS-based flavours or trace analysis
- Confident in the use of hyphenated GC techniques (GC-MS, GC-FID, GC-O) as well as HPLC, extraction techniques (SPME, SPE, LLE) and method validation
- Nice to have: GC-olfactometry, flavour chemistry, MS database software (NIST, MassHunter, ChemStation)
- Independent, structured way of working with high quality standards and strong communication skills
- Business-fluent German and very good English

YOUR BENEFITS AT AUSTRIA JUICE

- State-of-the-art labs (GC-MS, sample preparation)
- Interdisciplinary environment: science, sensory analysis, product development
- As part of an international group, we offer numerous training opportunities, job security and development prospects
- Further benefits: an extremely collegial team, flexible working hours, job bike leasing, public transport, childcare and lunch subsidies provided by the employer
- We are obliged to state the minimum salary for this position (collective agreement food industry, beverages, group IV/after 2 years EUR 3.383,43) - we will discuss your actual payment together

ABOUT AUSTRIA JUICE

We are one of the world's leading companies in the food & beverage market and employ around 1,000 people in 7 countries. Our customers appreciate our longstanding expertise in the development and production of innovative beverage concepts and high-quality food and beverage ingredients.

DIVERSITY & INCLUSION

As a global company, we are very proud of our diverse workforce and place the highest value on equal opportunity and diversity. We welcome and encourage applications from all individuals with enthusiasm for AUSTRIA JUICE, regardless of age, gender, disability, ethnicity, religion or sexual orientation.
