

Grow with us!

Maintenance Technican (all genders)

 Bingen am Rhein (GER)  immediately  full-time

What you tackle, you always do with full conviction and great passion? You enjoy working in a team and making sure our production runs reliably day after day? Then you've come to the right place!

YOUR MISSION

You keep our production site running from a technical perspective and take responsibility from planning through implementation:

- Plan and coordinate all assembly, maintenance and servicing work with plant management
- Independently carry out and supervise assembly, maintenance and repair work on site
- Implement stainless-steel piping construction and simple day-to-day repairs
- Coordinate and support external specialists for assembly and maintenance work
- Assistance with the care & maintenance of buildings, outdoor facilities, and operational equipment

YOUR BACKGROUND

- Completed technical vocational training, ideally as a locksmith or in a comparable field
- Enjoy assembly, maintenance and servicing work and bring a reliable hands-on mentality
- Basic knowledge of electrical, hydraulic or similar systems desirable
- Skilled in handling tools and production equipment
- Welding skills for carbon and stainless steel as well as a forklift licence are an advantage
- Knowledge of hygiene requirements in production areas
- A structured, independent approach to work and good German skills

YOUR BENEFITS

- Diversified and interesting tasks as an allrounder in on-site maintenance
- Cooperation in a dynamic team; short decision-making paths; family company culture
- Full time job with 39 hours per week
- Fair salary package with benefits such as 30 vacation days per year, additional vacation pay, employee discounts (Corporate Benefits) and employer contribution to company pension plan
- An environment where you can truly make an impact
