

Grow with us!

QM/QS-Manager (all genders)

 Bingen am Rhein (GER)  immediately  full-time (39h)

What you tackle, you always do with full conviction and with great passion? You like to work in a team and think sustainably with regard to nature and the environment? Then you've come to the right place!

YOUR MISSION

- You are the quality management expert at the Bingen site!
- Take over the lead of our motivated & small laboratory team and work actively in the laboratory yourself!
- Be in close cooperation with Production & Sales to ensure compliance with all internal, customer-specific and legal quality guidelines during production
- Continuous monitoring of legislation and the specialist areas of food law, genetic engineering, hygiene and HACCP, as a basis for the definition and implementation of internal quality guidelines & documents
- Take the lead in the introduction, planning and monitoring of internal & external audits
- Coordinate all customer complaints, be in charge of the error analysis and prepare comments as a basis for negotiations with customers

YOUR BACKGROUND

- Chemical / technical studies ideally in the food or beverage technology sector or completed relevant professional training with QM/QS experience
- Professional experience in QM/QA and prior knowledge of food law & HACCP required
- Audit experience and SAP knowledge is an advantage
- Team player with analytical thinking skills
- Hands-on mentality & pro-active way of working
- Very good knowledge of German and English

YOUR BENEFITS

- An exciting and varied position in an internationally active company with an open corporate culture is waiting for you!
- During a comprehensive onboarding, you will gradually grow into a position with a lot of creative freedom
- Benefits: performance-related, variable bonus; employee discounts (Corporate Benefits); flexitime; 30 vacation days per year; additional vacation pay, company phone (iPhone) and employer contribution to company pension plan
