
Grow with us.

The AUSTRIA JUICE Group, a Joint-Venture of AGRANA Beteiligungs-AG and Raiffeisen Ware Austria AG, is one of the most important global players in the food and beverage market and employs approximately 1,000 people at various production sites worldwide.

As a leading company in the industry, the AUSTRIA JUICE Group is appreciated by customers for its expertise in the development of innovative beverage concepts and high-quality food & beverage ingredients.

For our **Food Technology** department with location in **Kroellendorf** (Allhartsberg, Lower Austria), we are looking for a motivated personality ready to join us **full time** as:

Junior Food Technologist (m/f/d)

Your responsibilities

- Performance and evaluation of laboratory analyses
- Small-scale technological trials on laboratory and pilot plant scale (filtration, distillation, concentration, extraction, chromatography)
- Execution of upscaling experiments up to implementation
- Supervision of projects (under the guidance of the responsible project manager)
- Technical customer support (e.g. filling support for first productions or support of the sales team with technical questions / complaint handling on site)
- Execution of technical tests
- Preparation of specific product samples within the scope of new developments for customer projects

Your profile

- Completed vocational secondary school in the food sector or studies in food technology/ biotechnology or comparable education (e.g. food technician)
- First professional experience in the field of food production (baker, cook, brewer,...), and/or laboratory experience (analyses) is an advantage
- Well-organized, autonomous and target oriented way of working, analytical thinking skills
- Hands-on mentality and proactive team player
- Very good command of English
- Willingness to travel up to 10-20 %

Our package

- Cooperation in a dynamic company with a very pronounced innovation and pioneer spirit
- Deep-rootedness of the company in Austria, incorporated in a stable, international business environment with plenty of perspectives and development possibilities.
- Diverse and interesting tasks with comprehensive individual responsibility
- Benefits: Financial support for the lunch from the employer, home-office, flexible working times, etc.
- Due to legal reasons, we are obliged to disclose the minimum salary according to the collective agreement for this position, which is € 30.067,24 gross per year. However, our attractive compensation package is based on market-oriented salaries.
